## Equine Professional Reference Letter

An equine professional is someone who makes their living working with horses. This can be a veterinarian, farrier, trainer, instructor, horse breeder, etc. The person who fills out this form will not be held liable for opinions expressed in this form.

Your equine professional reference may not be a immediate family member and he/she also may not be the same person who fills out any other reference form(s) for you.

Once you complete the adopter/foster section, please give this document to your equine professional to fill out and send back to Equine Rescue League of Southern Indiana, Inc.

### To be completed by adopter/foster applicant:
